

About the Agency

SUNRISE CHILDREN'S SERVICES is a non-profit, faith-based private provider of care to children who have suffered abuse and neglect.

Licensed by the Kentucky Cabinet for Health and Family Services and accredited by the Joint Commission, Sunrise operates a state-wide network of residential centers, therapeutic foster homes, adoption services, IMPACT Plus services and family counseling centers. Sunrise also offers a crisis stabilization unit in Danville and a youth support center in London.

The ministry was launched 140 years ago, when a home was established in downtown Louisville to care for orphans of the Civil War. Throughout the years the methods have changed but the mission remains the same: to offer hope and healing to children and families in crisis. Currently, Sunrise serves about 400 children each day and thousands every year.
