INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Sunrise Children's Services, Inc.
Mt. Washington, Kentucky

Opinion

We have audited the accompanying financial statements of Sunrise Children's Services, Inc. (a nonprofit organization), which comprise the statements of financial position as of August 31, 2026 and 2025, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sunrise Children's Services, Inc. as of August 31, 2026 and 2025, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sunrise Children's Services, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sunrise Children's Services, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Certified Public Accountants and Advisors

401 West Main Street, Suite 1100 Louisville, Kentucky 40202 tel: 502.583.0248 fax: 502.589.1680 www.jnmcpa.com

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sunrise Children's Services, Inc.'s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sunrise Children's Services, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Jones, Nale & Mattingly PLC

NOTES TO FINANCIAL STATEMENTS

Note 1. Significant Accounting Policies

Nature of operations

Sunrise Children's Services, Inc. (the "Organization") provides residential and foster care programs, among other programs, to children and adults in the Commonwealth of Kentucky.

Basis of presentation

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The Accounting Standards Codification ("ASC") as produced by the Financial Accounting Standards Board ("FASB") is the sole source of authoritative GAAP.

Changes in net assets from operations include the revenues and support and expenses associated with operating the residential and foster care programs.

Use of estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Net Assets

The Organization records and reports its assets, liabilities, net assets, revenues, expenses, gains and losses, and other support based on the existence or absence of donor-imposed restrictions according to the two classes of net assets as follows:

Net Assets Without Donor Restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and the board of directors.

Net Assets with Donor Restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

The Organization reports cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Note 1. Significant Accounting Policies (Continued)

Revenue recognition

Revenue from contracts – resident support

The Organization has established charges for daily residential and community-based services. Revenue under governmental and third-party payer contracts are subject to audit and retroactive adjustment. Provisions for estimated third-party payer settlements are provided in the period the related services are rendered.

Significant judgments

Management considers total expected charges to be the best available measure of progress on governmental and third-party payer contracts. Because of inherent uncertainties in estimating charges and level of services, it is at least reasonably possible that estimates used could change within the near term.

Contract charges are measured by level of services provided in the facilities related to daily residential or community-based services. The Organization bills the residents and third-party payers including the Cabinet for Health and Family Services of the Commonwealth of Kentucky, Medicaid, and private health insurers, after services are rendered.

Performance obligations

Performance obligations are determined based on the nature of services provided. Revenue for performance obligations satisfied over time is recognized based on the actual charges incurred in relation to total expected charges. Performance obligations satisfied over time relate to residents in the facilities receiving daily services in accordance with government and third-party payer contracts. These performance obligations are satisfied when the Organization is no longer required to provide services to a resident, which is generally at the time of discharge.

Contributed nonfinancial assets

Contributed nonfinancial assets include contributed supplies, property and equipment, and professional services and are recorded as support and expenses at fair value when determinable, otherwise at values indicated by the donor. Fair values are determined using observable prices for comparable goods and applicable market rates for contributed services. Contributed nonfinancial assets are typically distributed for program use but may be sold. Contributed property and equipment that is sold is valued according to the actual cash proceeds on its disposition. There were no donor-imposed restrictions associated with the contributed nonfinancial assets for the years ended August 31, 2026 and 2025.

Cash and cash equivalents

The Organization considers all highly liquid investments with a maturity when purchased of three months or less not restricted for a specific purpose, to be cash equivalents. The Organization typically maintains balances with its bank in excess of federally insured limits. Management believes the Organization is not exposed to any significant risk on bank deposits.

Note 1. Significant Accounting Policies (Continued)

Accounts receivable and allowance for credit losses

The Organization operates behavioral health programs for children and adults in the Commonwealth of Kentucky and its accounts receivable are primarily derived from governmental and third-party payer contracts. Accounts receivable for patients, insurance companies, and governmental agencies are based on gross charges net of an allowance for contractual adjustments. The allowance for contractual adjustments is based on expected payment rates from payors based on current reimbursement methodologies. Accounts receivable are stated at net realizable value.

The Organization estimates expected credit losses on accounts receivable in accordance with ASC 326, *Financial Instruments—Credit Losses*. Accounts receivable are typically collected within 40 days.

For periods prior to the adoption of ASU 2025-05, the Organization estimated its allowance for credit losses based on historical loss experience, adjusted for current conditions and reasonable and supportable forecasts of future economic factors that were expected to affect the collectibility of outstanding receivables. This estimate was prepared on a pooled basis for receivables with similar risk characteristics. Management updated its estimate at each reporting date to reflect any changes in credit risk since initial recognition.

Effective for the year ended August 31, 2026, the Organization early adopted ASU 2025-05, *Measurement of Credit Losses for Accounts Receivable and Contract Assets*. The ASU introduced two optional simplifications for current accounts receivable arising under ASC 606. The Organization elected both:

1. Current conditions practical expedient – The Organization now estimates expected credit losses using historical loss information adjusted for current conditions as of the balance sheet date without developing forward looking forecasts, and assumes those conditions remain unchanged for the remaining life of the receivable.

2. Subsequent collections accounting policy election – For receivables collected after year end and before the financial statements are available to be issued, the Organization records no allowance, consistent with the updated guidance. Remaining uncollected receivables are evaluated based on their delinquency status as of the same subsequent collections evaluation date.

These changes were applied prospectively and did not affect prior period amounts.

Under the updated policy, the allowance for credit losses is derived from the Organization's historical loss rates for receivables with similar risk characteristics, adjusted for current conditions as of year end. The allowance is further adjusted to remove receivables collected prior to the date the financial statements are available to be issued. Management believes this methodology appropriately reflects expected credit losses under the updated guidance.

The Organization writes off receivables when specific information indicates the customer is experiencing significant financial difficulty and collection is not expected. Any recoveries of amounts previously written off are recognized in the period received.

Note 1. Significant Accounting Policies (Continued)

Pledges receivable

Pledges receivable consist primarily of amounts due from individuals. Pledges receivable are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Pledges receivable becoming due in the next year are recorded at net realizable value. Pledges receivable due in subsequent years are reported at the present value of their net realizable value, using risk-free interest rates applicable to the years in which the promises were received. The Organization uses the allowance method to estimate uncollectible promises to give. The allowance is based on collection experience in prior years and management's analysis of specific promises made. The allowance for doubtful accounts was zero as of August 31, 2026 and 2025.

Restricted cash

Restricted cash represents cash the Organization must maintain on deposit with Peoples Bank (Marietta, Ohio) as part of the loan agreement as well as donor restricted cash the Organization must maintain on deposit separately from operating funds. Restricted cash was as follows as of August 31, 2026 and 2025:

	2026	2025
Restricted under loan agreement	$ 200,000	$ 200,000
Restricted by donors	208,560	231,828
	$ 408,560	$ 431,828

Marketable securities

Investments are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Net realized and unrealized gains and losses are reflected in the statements of activities.

Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would result in material changes in the fair value of investments and net assets of the Organization. The Organization also has interests in private equity and alternative funds that represent approximately 0.44% and 0.41% of total investments held in trust by the Kentucky Baptist Foundation, Inc. (the "Foundation") for the Organization at August 31, 2026 and 2025, respectively (See Note 5). Because these alternative investments are not readily marketable, their estimated value is subject to uncertainty and therefore may differ from the value that would have been used had a readily available market for such investments existed.

Operating revenue includes all interest and dividend income except that which is restricted for higher education. Net realized and unrealized gains (losses) are considered non-operating revenue. All investment income is reported net of investment expenses of approximately $265,000 and $202,000 in 2026 and 2025, respectively.

Note 1. Significant Accounting Policies (Continued)

Funds held in trust by others

Funds held in trust by others represent resources neither in the possession nor under the control of the Organization, but held and administered by an outside party, with the Organization deriving income from such funds. The fair value of the Organization's share of the assets is reflected in the accompanying statements of financial position, and the income, including fair value adjustments, is recorded in the accompanying statements of activities.

Property and equipment

The Organization's policy is to capitalize property and equipment over $3,000. Lesser amounts are expensed. Property and equipment are recorded at cost at date of acquisition or fair value at date of donation and are depreciated using the straight-line method over their estimated useful lives which range from 3-10 years for vehicles and furniture and equipment and 20-30 years for buildings. Depreciation expense for the years ended August 31, 2026 and 2025 was $1,219,668 and $1,277,823, respectively. The Organization's policy is to not fund depreciation.

The Organization periodically reviews the carrying values of property and equipment for impairment whenever adverse events or changes in circumstances indicate the carrying value of the asset may not be recoverable. For the years ended August 31, 2026 and 2025, the Organization recognized no impairment losses.

Leases

The Organization leases offices, apartments, and office equipment and determines if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use assets and operating lease liabilities on the statements of financial position. Finance leases are included in property and equipment and finance lease liabilities on the statements of financial position.

Right-of-use assets represent the Organization’s right to use an underlying asset for the lease term and lease liabilities represent the Organization’s obligation to make lease payments arising from the lease. Operating lease right-of-use assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. As most of the leases do not provide an implicit rate, the Organization uses a risk-free rate based on the information available at commencement date in determining the present value of lease payments. The operating lease ROU asset also includes any lease payments made and excludes lease incentives. The lease terms may include options to extend or terminate the lease when it is reasonably certain the option will be exercised. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

The Organization’s lease agreements do not contain any material residual value guarantees or material restrictive covenants.

Note 1. Significant Accounting Policies (Continued)

Leases (continued)

The Organization has lease agreements with lease and non-lease components, which are generally accounted for separately. For certain leases, the Organization accounts for the lease and non-lease components as a single lease component. For arrangements accounted for as a single lease component, there may be variability in future lease payments as the amount of the non-lease components is typically revised from one period to the next. These variable lease payments, which are primarily comprised of building insurance and property taxes, are recognized in operating expenses in the period in which the obligation for those payments was incurred.

The Organization has elected to apply the short-term lease exemption on all classes of underlying assets for leases that meet the definition of a short-term lease under ASC 842. For the years ended August 31, 2026 and 2025, the short-term lease cost recognized and disclosed for those leases was $401,159 and $232,598, respectively. The remaining lease payments due after August 31, 2026 are $373,310.

Deferred loan costs

Deferred loan costs are reported as a direct deduction from the face amount of the related debt on the statements of financial position and amortization of such costs are reported as interest expense in the statements of activities.

Functional expenses

The costs of providing program and other activities have been summarized on a functional basis in the accompanying statements of functional expenses. The statements of functional expenses present expenses by function and natural classification. Certain costs have been allocated among the programs and supporting services benefited. Such allocations are determined by management on an equitable basis. Maintenance costs are allocated on the basis of time and efforts of maintenance staff, and space costs are allocated on the basis of square footage.

Income taxes

The Organization has received a determination letter from the Internal Revenue Service indicating that it qualifies as a tax-exempt organization under 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes is included in the financial statements.

The Organization's accounting policy provides that a tax expense/benefit from an uncertain tax position may be recognized when it is more likely than not that the position will be sustained upon examination, including resolutions of any related appeals or litigation processes, based on the technical merits. The Organization has no uncertain tax positions resulting in an accrual of tax expense or benefit.

The Organization's Federal Return of Organization Exempt from Income Tax is subject to possible examination by the taxing authorities until the expiration of the related statutes of limitations on the return, which is generally three years.

Note 1. Significant Accounting Policies (Continued)

Advertising costs

Advertising costs are expensed as incurred. These expenses amounted to $123,898 and $99,136 for the years ended August 31, 2026 and 2025, respectively.

Reclassification

Certain reclassifications have been made to the 2025 financial statements to be in conformity with the 2026 presentation. The reclassifications had no effect on net assets or the change in net assets.

Subsequent events

Management has evaluated subsequent events through November 13, 2026, the date the financial statements were available to be issued.

Note 2. Liquidity and Availability of Resources

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments. Its working capital and cash flows have both monthly and seasonal variations due to state reimbursements and donor tax planning. Operating revenues and cash flow correlate to the census levels maintained at the residential treatment centers, the foster care program and the independent living program. Foster care census fluctuates based on the number of clients assigned by the Commonwealth and the number of adoptions through foster-to-adopt. The Organization is pleased to have facilitated over 737 adoptions since the inception of the foster-to-adopt program in 2006. Additional revenues are generated by the family services program. The Organization anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources.

The following reflects the Organization's financial assets as of August 31, 2026 and 2025:

	2026	2025
Financial assets at year end:		
Cash and cash equivalents	$ 1,539,092	$ 1,479,279
Restricted cash	408,560	431,828
Accounts receivable, net	2,220,305	2,318,503
Pledges receivable, net	65,936	100,936
Marketable securities	4,821,891	4,437,829
Beneficial interests in charitable trusts	1,185,869	1,615,991
Marketable securities, endowment	1,284,414	1,158,344
Funds held in trust by others	16,860,816	15,713,031
Total financial assets	28,386,883	27,255,741
Less amounts not available to be used within one year:		
Restricted under loan agreement	200,000	200,000
Restricted by donors due to time or purpose	3,321,935	2,771,364
Restricted by donors in perpetuity	17,287,004	16,188,005
	20,808,939	19,159,369
	$ 7,577,944	$ 8,096,372

Note 2. Liquidity and Availability of Resources (Continued)

The Organization's primary banking and credit relationship is with Peoples Bank. The Organization has a $2,000,000 line of credit that can be drawn upon as needed during the year to manage cash flow. The balance drawn on this line of credit was zero at August 31, 2026.

The Commonwealth of Kentucky officially increased the daily rates starting May 4, 2023 for the residential programs, except the Psychiatric Residential Treatment Facility (PRTF) which were increased on November 1, 2025. In January 2025, the Organization received a rate increase for Foster Care Level 2 (9% increase) and Foster Care Level 3 program (12% increase). Based on current budgeted census numbers at the new rates, the Organization will be able to sustain its program operations before any donor assistance. With these rates, the Organization anticipates a one to two-year window of positive operations before additional rate increases will be needed as inflation, personnel and general operating costs continue to increase. The Organization will continue to seek additional rate increases from the Commonwealth of Kentucky.

The Organization has three expansion opportunities to meet the needs of families and children, and the Organization anticipates these opportunities to have a positive impact on the financials. The Organization is in the process of building two foster care homes in Winchester on previously donated land and funded by various donors separate from operations. The Organization also received funds for foster care or independent living homes in Webster County with a land donation expected during the year ending August 31, 2027.

The Organization still has additional infrastructure items to update and debt to pay off. The Organization started a capital campaign with the objective of replacing four cabins and building a gymnasium for the Cumberland Adventure Program with estimated costs of $5,000,000, infrastructure needs across all seventeen locations with an estimated cost of $1,500,000, $750,000 for the Birney House located on the Danville Campus, $650,000 for the Harlan Project and $2,300,000 to pay off debt. Projects are in the planning phase until the capital campaign funds are received.

The Organization recognizes the variability of cash flows both in timing and amounts due to the quantity of clients served in the Organization's care. In order to improve liquidity and reduce expenses, the Organization continues to implement staff position reductions and restructuring, benefit plan savings, office configurations and other expense reductions. The Organization is also initiating local marketing activities in each service area to increase the census of the foster care and family services programs.

Note 3. Accounts Receivable

Accounts receivable consist of the following at August 31, 2026, 2025, and 2024:

	2026	2025	2024
Receivable from the Cabinet for Health and Family Services	$ 1,300,568	$ 1,403,000	$ 1,231,919
Receivables from others	949,737	1,207,503	1,290,966
	2,250,305	2,610,503	2,522,885
Allowance for credit losses	(30,000)	(292,000)	(230,000)
	$ 2,220,305	$ 2,318,503	$ 2,292,885

The allowance for credit losses for accounts receivable and the related activity are as follows:

	2026	2025
Beginning balance	$ 292,000	$ 230,000
Provision for credit losses	34,858	158,150
Write-offs	(296,858)	(96,150)
Ending balance	$ 30,000	$ 292,000

Note 4. Pledges Receivable

Pledges receivable consist of unconditional promises to give. All pledges have been determined to be fully collectible. Pledges receivable due after one year are reflected at the present value of estimated future cash flows using risk-free interest rates applicable to the years in which the promises are received. The risk-free interest rate used was 4%. Pledges receivable as of August 31, 2026, and 2025 are as follows:

	2026	2025
Amounts due in:		
One year or less	$ 35,000	$ 35,000
One to five years	35,000	70,000
Total pledges receivable	70,000	105,000
Less discount to net present value	(4,064)	(4,064)
Net pledges receivable	$ 65,936	$ 100,936

Note 5. Fair Value Measurements

GAAP provides a framework for fair value measurements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The methodology for measuring fair value specifies a three-tier hierarchy of valuation techniques based upon whether the inputs to those valuation techniques are based on quoted prices of identical assets or liabilities (Level 1), significant other observable inputs (Level 2), or significant other unobservable inputs that reflect an organization's own assumptions of market participant valuation (Level 3).

The following is a description of the valuation methodologies for assets measured at fair value. There have been no changes in the methodologies used at August 31, 2026 and 2025.

Cash and Cash Equivalents: Valued at cost which approximates fair value.

Mutual Funds: Valued at the net asset value of shares held by the Organization at year end.

Funds Held in Trust by the Kentucky Baptist Foundation: Valued using Level 2 and Level 3 measurements based on net asset per share value of quoted prices for assets held by the fund.

Funds Held in Trust by Others: Valued using Level 2 measurements based on net asset per share value of quoted prices for assets held by the fund.

Beneficial Interest in Charitable Trusts: Valued based on the fair value of the Organization's beneficial interest in the underlying trust assets, less the actuarially determined present value of anticipated payments to income beneficiaries. The valuations consider the beneficiaries' ages, anticipated payment amounts, and applicable actuarial factors. The investments are classified as Level 3 measurements due to the use of the significant unobservable valuation inputs.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 5. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Organization's assets and liabilities at fair value as of August 31, 2026:

	Marketable securities			
	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	$ 329,359	$ - -	$ - -	$ 329,359
Mutual funds	63,609	- -	- -	63,609
Funds held at Kentucky Baptist Foundation	- -	5,708,085	5,252	5,713,337
	$ 392,968	$ 5,708,085	$ 5,252	$ 6,106,305

	Beneficial interest in charitable trusts			
	Level 1	Level 2	Level 3	Total
Beneficial interest in charitable trusts	$ - -	$ - -	$ 1,185,869	$ 1,185,869

	Funds held in trust by others			
	Level 1	Level 2	Level 3	Total
Funds held in trust by the Kentucky Baptist Foundation	$ - -	$11,073,822	$ 68,194	$11,142,016
Funds held in trust by others	- -	5,718,800	- -	5,718,800
	$ - -	$16,792,622	$ 68,194	$16,860,816

The following tables set forth by level, within the fair value hierarchy, the Organization's assets at fair value as of August 31, 2025:

	Marketable securities			
	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	$ 333,916	$ - -	$ - -	$ 333,916
Mutual funds	55,395	- -	- -	55,395
Funds held at Kentucky Baptist Foundation	- -	5,199,186	7,676	5,206,862
	$ 389,311	$ 5,199,186	$ 7,676	$ 5,596,173

	Beneficial interest in charitable trusts			
	Level 1	Level 2	Level 3	Total
Beneficial interest in charitable trusts	$ - -	$ - -	$ 1,615,991	$ 1,615,991

	Funds held in trust by others			
	Level 1	Level 2	Level 3	Total
Funds held in trust by the Kentucky Baptist Foundation	$ - -	$10,236,025	$ 55,136	$10,291,161
Funds held in trust by others	- -	5,421,870	- -	5,421,870
	$ - -	$15,657,895	$ 55,136	$15,713,031

Note 5. Fair Value Measurements (Continued)

The following table sets forth a summary of changes in the fair value of the Organization's Level 3 assets for the years ended August 31, 2026 and 2025:

	Private equity funds	Alternative funds	Beneficial interest in charitable remainder trust	Total
Balance, September 1, 2024	$ 34,172	$ 37,037	$ 1,706,127	$ 1,777,336
Purchases	- -	19,756	- -	19,756
Sales	- -	(19,376)	- -	(19,376)
Distributions	- -	- -	(46,568)	(46,568)
Realized and unrealized gains (losses)	(9,112)	335	(43,568)	(52,345)
Balance, August 31, 2025	25,060	37,752	1,615,991	1,678,803
Purchases	- -	32,988	- -	32,988
Sales	- -	(17,486)	- -	(17,486)
Distributions	- -	- -	(517,087)	(517,087)
Realized and unrealized gains (losses)	(7,912)	3,044	86,965	82,097
Balance, August 31, 2026	$ 17,148	$ 56,298	$ 1,185,869	$ 1,259,315

Note 6. Beneficial Interest in Charitable Trusts

Beneficial interests are included in the accompanying financial statements as an asset and the changes in their fair value as revenue in the statements of activities. Beneficial interests are measured at estimated fair value based on the underlying trust assets, less the present value of anticipated payments to income beneficiaries. The valuations consider the ages of the beneficiaries, anticipated distributions and applicable actuarial factors.

As of August 31, 2026 and 2025, beneficial interests of $1,475,333 and $2,184,688, respectively, consists of charitable remainder trusts which are expected to be realized over 5 years and are recorded net of discounts of $289,464 and $568,697, respectively.

Note 7. Property and Equipment

Property and equipment consist of the following at August 31, 2026 and 2025:

	2026	2025
Land and land improvements	$ 2,743,236	$ 2,717,936
Buildings and building improvements	22,757,622	21,950,041
Furniture and equipment	3,750,052	3,685,799
Construction in progress	1,748,192	2,239,674
	30,999,102	30,593,450
Accumulated depreciation	(16,527,465)	(15,422,035)
Finance lease right-of-use asset, net	67,195	88,928
	$ 14,538,832	$ 15,260,343

As of August 31, 2026, the Organization had three projects outstanding, which included the construction of the two Winchester Homes and design costs of $7,500 related to the Cumberland Adventure Program project. During the year ended August 31, 2026, the Organization incurred additional construction costs of $310,416 related to the two Winchester Homes. The construction costs related to the two Winchester Homes totaled $1,740,692 and $1,430,276 as of August 31, 2026 and 2025, respectively. The two Winchester Homes are expected to be completed and placed in service in December 2026.

During the year ended August 31, 2026, the Organization incurred additional construction costs of $5,999 on the Sanders Center. On August 24, 2026, the Sanders Center was placed in service, and cumulative project cost of $807,897 were capitalized as building and building improvements.

Note 8. Leases

The Organization has operating and finance leases for offices and office equipment. The leases have remaining lease terms of one to five years.

The components of lease expense were as follows for the years ended August 31, 2026 and 2025:

	2026	2025
Finance lease cost		
Right-of-use asset amortization	$ 27,612	$ 26,678
Interest expense	3,457	4,379
Operating lease cost	116,526	148,209
Short-term lease cost	401,159	232,598
Variable lease expense	7,153	7,187
Total lease cost	$ 555,907	$ 419,051

Total lease expense is included in rent and client related expenses on the statements of functional expenses for the years ended August 31, 2026 and 2025.

Note 8. Leases (Continued)

Other information related to leases is as follows for the years ended August 31, 2026 and 2025:

	2026	2025
Supplemental cash flow information		
Cash paid for amounts included in the measurement of lease liabilities		
Operating cash flows from operating leases	$ 117,960	$ 148,100
Operating cash flows from finance leases	3,457	4,379
Financing cash flows from finance leases	27,118	25,170
Right-of-use assets obtained in exchange for lease obligations		
Finance leases	5,879	- -
Operating leases	344,367	- -
Weighted average remaining lease term		
Finance leases	2.48 years	3.33 years
Operating leases	2.50 years	1.12 years
Weighted average discount rate		
Finance leases	4.20%	4.24%
Operating leases	3.65%	4.02%

Future undiscounted lease payments for leases with initial terms of one year or more as of August 31, 2026 were as follows:

	Operating Leases	Finance Leases
2027	$ 120,984	$ 30,780
2028	120,984	30,780
2029	59,924	11,081
2030	- -	1,232
2031	- -	513
	301,892	74,386
Less: imputed interest	(12,921)	(3,600)
Net lease liabilities	$ 288,971	$ 70,786

Note 9. Lines of Credit

The Organization has a $2,000,000 operating line of credit with Peoples Bank. The line bears interest at the Wall Street Journal Prime rate minus .25% with a floor of 5.00% (6.50% at August 31, 2026). The line of credit is collateralized by certain personal property and equipment maintained by the Organization and is subject to certain restrictive covenants. The line of credit matures in June 2028. There was no balance outstanding on the line of credit as of August 31, 2026 and 2025. The line of credit is subject to certain financial and restrictive covenants.

Note 10. Long-Term Debt

Long-term debt consists of the following at August 31, 2026 and 2025:

	2026	2025
Bank term loan payable to Peoples Bank with an interest rate of 6.75% payable in monthly principal and interest installments of $15,884, with balance due in March 2030. Secured by certain real property and subject to certain restrictive covenants. The note payable is shown net of unamortized financing costs of $11,583.	$ 1,551,259	$ 1,741,861
Economic Injury Disaster Loan payable to the United States Small Business Administration (SBA) with an interest rate of 2.75% payable in monthly principal and interest installments of $2,158 with the balance due in May 2050. Secured by all tangible and intangible property.	450,142	463,485
	$ 2,001,401	$ 2,205,346

At August 31, 2026, the aggregate annual maturities of principal payments on the long-term debt are:

Year ending August 31,	
2027	$ 204,282
2028	204,630
2029	205,053
2030	1,005,869

Note 11. Endowment Fund

The Organization's endowment consists of donor-restricted funds placed with the Foundation and with various other fund managers (at the direction of individual donors). The endowment funds were established to support the programs of the Organization. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Commonwealth of Kentucky has enacted the Uniform Prudent Management of Institutional Funds Act ("UPMIFA"), the provisions of which apply to endowment funds existing on or established after enactment. The Organization is required to act prudently when making decisions to spend or accumulate donor restricted endowment assets and in doing so to consider a number of factors including the duration and preservation of its donor restricted endowment funds.

The Organization has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. The Organization classifies as net assets restricted in perpetuity the original value of gifts donated to the endowment and accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment that is not classified as net assets restricted in perpetuity is classified as net assets with donor time or purpose restrictions until appropriated for expenditure by the Organization. The Organization considers the fund to be underwater if the fair value of the fund is less than the sum of (a) the original value of initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument.

The endowment fund assets at August 31, 2026 and 2025 are included in the following categories in the statements of financial position:

	2026	2025
Funds held in trust by others	$ 16,860,816	$ 15,713,031
Marketable securities	1,284,414	1,158,344
	$ 18,145,230	$ 16,871,375

Note 11. Endowment Fund (Continued)

Changes in endowment net assets for the years ended August 31, 2026 and 2025 are as follows:

	Without donor restrictions	With donor restrictions	Total
Endowment net assets, August 31, 2024	$ - -	$ 15,896,458	$ 15,896,458
Contributions	- -	5,554	5,554
Endowment borrowing repayments	- -	33,303	33,303
Investment return	- -	1,381,782	1,381,782
Distributions from funds held in trust	444,383	(444,383)	- -
Appropriation for expenditures	(444,383)	(1,339)	(445,722)
Endowment net assets, August 31, 2025	- -	16,871,375	16,871,375
Endowment borrowing repayments	- -	29,773	29,773
Investment return	- -	1,945,734	1,945,734
Distributions from funds held in trust	697,948	(697,948)	- -
Appropriation for expenditures	(697,948)	(3,704)	(701,652)
Endowment net assets, August 31, 2026	$ - -	$ 18,145,230	$ 18,145,230

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets.

Under this policy, as approved by the Board or the individual donor, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of approximately 3.8% over the rate of inflation, as measured by the Consumer Price Index, while assuming a moderate level of investment risk.

The focus on an annualized return may cause the portfolios to experience periods of negative rates of return while aiming for a higher return over a multi-year annualized period.

To satisfy its long-term rate-of-return objective, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation and current yield. The Organization targets diversified asset allocations that place a greater emphasis on equity-based investment to achieve its long-term objectives within prudent risk constraints.

Based on the individual endowment fund agreements, the distributions of net income from the funds may occur on a quarterly or annual basis and include realized income, net of fees. The distributions are determined by the individual fund managers or restrictions placed by the donor, not the Organization.

Note 11. Endowment Fund (Continued)

From time to time, the fair value of assets associated with individual donor restricted endowment funds may fall below the level the donor or UPMIFA requires the Organization to retain as a fund of perpetual duration. In accordance with GAAP, deficiencies of this nature are reported in net assets with donor restrictions when they occur. During the year ended August 31, 2018, the Organization made withdrawals from the endowment corpus totaling $1,000,000, which is reflected in net assets with donor restrictions in perpetuity. During the years ended August 31, 2026 and 2025, the Organization repaid $29,773 and $33,303, respectively, to the endowment. The amount of corpus to be repaid according to the board-designated plan was $627,367 and $657,140, respectively, as of August 31, 2026 and 2025. As of August 31, 2026 and 2025, the fair value of the underwater endowment funds was $524,372 and $445,662, respectively, compared with the amount required to be maintained of $1,000,000. This resulted in deficiencies of $475,628 and $554,338 as of August 31, 2026 and 2025, respectively.

Endowment net asset composition as of August 31, 2026 and 2025 is as follows:

	2026	2025
Unappropriated endowment earnings	$ 858,226	$ 683,370
Restricted in perpetuity	17,287,004	16,188,005
	$ 18,145,230	$ 16,871,375

Note 12. Net Assets

At August 31, 2026 and 2025, net assets with donor restrictions consist of the following:

	2026	2025
Net assets with time or purpose restrictions:		
Restricted for expenditure in future periods	$ 144,745	$ 611,530
Subject to expenditure for specified purposes:		
Operations	2,318,964	1,476,464
Unappropriated endowment earnings	858,226	683,370
Total subject to expenditure for specified purposes	3,177,190	2,159,834
Total net assets with time or purpose restrictions	3,321,935	2,771,364
Endowments to be maintained in perpetuity:		
General operations	16,300,377	15,201,378
Higher education	986,627	986,627
Total endowments to be maintained in perpetuity	17,287,004	16,188,005
Total net assets with donor restrictions	$ 20,608,939	$ 18,959,369

Note 13. Contributed Nonfinancial Assets

Contributed nonfinancial assets consisted of the following for the years ended August 31, 2026 and 2025:

	2026	2025
Auction items	$ 7,115	$ - -
Clothing, toys, and supplies	47,073	15,864
Food	- -	26,604
Furniture and equipment	5,081	366
Gift cards	2,787	2,960
Maintenance expenses	- -	579
Support services	243	- -
Travel expenses	3,628	2,645
Youth activities	600	921
	$ 66,527	$ 49,939

Note 14. Retirement Plan

The Organization has a contributory retirement plan for the benefit of all eligible employees through contracts with GuideStone Financial Resources of the Southern Baptist Convention. Contract premium costs are based on a specified percentage of each employee's annual salary and these costs are funded as they accrue. The plan allows the Organization to make a discretionary match. Total cost to the Organization under this defined contribution plan was approximately $225,000 and $175,000 in 2026 and 2025, respectively.

Note 15. Covenant Agreement

In 1986, the Organization entered into a covenant agreement with the Kentucky Baptist Convention (the "Convention"). The Convention supports the Organization by financial contributions made to the Organization through the Thanksgiving Offering, Cooperative Program and other designations, in accordance with recommendations as approved by the Executive Board of the Convention. For the years ended August 31, 2026 and 2025, the Organization received contributions without donor restrictions of approximately $989,000 and $962,000, respectively, from the Convention, which included approximately $492,000 and $481,000, respectively, from the Cooperative Program. For the years ended August 31, 2026 and 2025, the Organization received contributions without donor restrictions from Thanksgiving Offerings independent of the Convention of approximately $40,000 and $59,000, respectively. Such revenue has been recorded as contributions without donor restrictions in the accompanying statements of activities.

The agreement also provides for the Convention to annually elect new members to the Board of Directors of the Organization.

Note 16. Contingencies

In the ordinary course of its operations, the Organization is a party to certain claims and litigation. In management's opinion, the ultimate liability resulting from such claims and litigation, if any, will not materially affect the Organization's financial statements.

Note 17. Concentration

For the years ended August 31, 2026 and 2025, the Organization received 71% and 70% of its support for its residential and foster care programs from the Commonwealth of Kentucky, respectively. A significant reduction in the level of this support, if this were to occur, could have a material adverse effect on the Organization's programs. At August 31, 2026 and 2025, the receivable from the Kentucky Cabinet for Health and Family Services represents approximately 59% and 61% of total receivables, respectively. At August 31, 2026 and 2025, the receivable from Medicaid represents approximately 6% and 28% of total receivables, respectively.

Note 18. Acquisition

On March 1, 2025, the Organization acquired the assets of One Bridge to Hope, a nonprofit organization, in order to provide additional services in Springfield, Kentucky. No consideration was transferred to facilitate the acquisition of One Bridge to Hope. The acquisition included $74,004 in cash.
