

HELPING CHILDREN IN CRISIS SHINE through Hope, Healing and Home.

SUNRISE CHILDREN'S SERVICES CAPITAL PROJECTS

CUMBERLAND ADVENTURE PROGRAM (CAP), BRONSTON, KY

\$1,750,000 - \$2,500,000

Sunrise's exceptional Cumberland Adventure Program (CAP) facility sits on 40 beautiful acres. It has five housing cabins, a central dining lodge and a challenging ropes course. CAP needs an indoor gymnasium so clients can exercise in cold or wet weather; a swimming pool could also be added. New classrooms are needed, along with four new cabins to increase client capacity.

RESIDENTIAL FACILITY CENTER BUILDING EXPANSION, MOREHEAD, KY

\$650,000 - \$800,000

Three bedrooms, two bathrooms and two time-out rooms need to be added to the main building. The time-out rooms help staff manage unruly clients by separating them from others. A half-size gymnasium has been added, providing clients with an indoor exercise space and all-purpose area for other activities. This expansion also requires the septic system to be upgraded.

CROSSROADS TREATMENT CENTER, ELIZABETHTOWN, KY

\$600,000 - \$850,000

Crossroads is a specialized center providing therapeutic care and intervention for up to 12 male clients, ages 14 to 18. Six additional bedrooms are needed, along with a new bathroom and time-out room. A half-size gymnasium would be very helpful.

HELPING CHILDREN IN CRISIS SHINE through Hope, Healing and Home.

FOSTER FAMILY HOMES, WINCHESTER, KY

\$300,000 - \$400,000

A group of foster homes, each one housing up to six clients, is needed for a newly donated 130-acre site. Upgrades to the infrastructure include a road, water and septic system.

MINISTRY SUPPORT CENTER, MT. WASHINGTON, KY

\$1,100,000

- HVAC system needs repairs totaling \$35,000 per year **\$150,000**
- Water drainage system is needed to stabilize soil and eliminate floor shifting **\$400,000**
- Cracks in floor and walls, caused by shifting, need to be repaired **\$300,000**
- Parking lot repairs and founding of Spring Meadows memorial **\$250,000**

FIVE VEHICLES NEEDED, \$23,000 EACH

\$115,000

Sunrise needs additional vehicles for staff throughout the state. The use of company vehicles reduces travel expense reimbursements to staff, and minimizes wear and tear on personal vehicles.

PSYCHIATRIC RESIDENTIAL TREATMENT FACILITY, DANVILLE, KY

\$325,000

Access Road

\$190,000

C & R Construction has built a new access road onto the Woodlawn Campus. The old road and adjacent land frontage, which we did not own, has been purchased by a senior living company. The new road meets all local regulatory requirements, and is structurally designed to support emergency vehicles and delivery trucks.

East and West Facility

\$80,000 - \$100,000

New pipes, new floor insulation, new flooring, repainting, removal costs

Gibson Cottage Renovation

\$35,000

Renovations at Woodlawn's Gibson cottage will add office space and address other needs, including new windows and interior improvements.
